KOCH™

A DECADE OF ACQUISITIONS AND INVESTMENTS

FLINT HILLS RESOURCES From our refineries and facilities, and through our 4,000 miles of pipelines, come the fuels, biofuels and chemical building blocks critical to powering and empowering modern life.

KOCH DISRUPTIVE TECHNOLOGIES We partner with principled entrepreneurs to help create a could-be world – with a focus on investments that can help Koch transform its capabilities, disrupt existing businesses and expand into new platforms.

GEORGIA-PACIFIC Our paper products, such as bath tissue and paper towels, are at-home essentials. And our sturdy building materials make homes and commercial buildings possible. Brands include Quilted Northern®, Angel Soft®, Brawny®, and Dixie®.

KOCH ENGINEERED SOLUTIONS Our solutions in mass and heat transfer, combustion and emissions controls, filtration, separation, materials applications, automation and actuation come with deep expertise in the industrial domain.

GUARDIAN INDUSTRIES We manufacture high-performance glass products for homes and buildings and high-quality plastic components for the automotive and commercial truck industries.

KOCH EQUITY DEVELOPMENT We focus our efforts on strategic acquisitions and industry agnostic principal investments that fit our business philosophy and vision for where Koch can create value.

INFOR For customers in specific markets, we build complete industry suites in the cloud using technology that puts the user experience first, leverages data science and integrates into existing systems.

KOCH MINERALS We engage customers worldwide as a preferred partner in dry-bulk commodities, oil and gas exploration, oilfield products, steel, technology and other investments.

INVISTA From carpet to air bags to engine parts to appliances, our proprietary ingredients for nylon 6,6 and chemical intermediates make life better in countless ways. Some of our brands include STAINMASTER®, CORDURA® and ANTRON®.

KOCH SUPPLY & TRADING Our companies around the world trade and transport a wide range of valuable commodities, including crude oil, refined petroleum products, natural gas and industrial metals.

MATADOR CATTLE COMPANY We operate three ranches: Beaverhead in Montana, Matador in Texas and Spring Creek in Kansas. With 460,000 acres and 12,000 cattle, our beef quality assurance certification sets the industry standard.

KOCH AG & ENERGY SOLUTIONS Our innovative fertilizer and ingredient products help global agricultural customers boost crop yields, turf and ornamental customers spruce up, and give energy customers the power to thrive.

MOLEX Our full range of connectivity products, services and solutions empower the data communications, medical, industrial, automotive and consumer electronics markets to transform the future and improve lives.
